- ◆ Enriching Phyto-pharmaceutical industry through Utilization of High-value Medicinal and Aromatic Crops

Limited seats for oral and poster presentation

Abstract Submission Open With Late Fee

Call for Abstract

- ◆ In alignment with the conference's vision, we cordially invite scientists, academicians, students, research scholars, and industry professionals who are working with natural products to participate in the conference and share their research findings.

Participants are encouraged to present their research through an oral presentation or a poster presentation in the following areas:

- **Integrative Health Systems**
- **Plant-Based Food Supplements**
- **Clinical research & Validation of AYUSH Products**
- **Natural Products: Antimicrobial Resistance and Non-Communicable diseases**
- **Innovation & Patents**

- ◆ We strongly encourage participants who wish to present their research to submit an abstract. The abstract should be structured and must include the title of the research, author details, affiliation, email ID, contact no., background, materials and methods, results, conclusion, and keywords. The abstract should not exceed 250 words.
- ◆ For oral presentations, please ensure your PowerPoint presentation has 6-8 slides.
- ◆ For poster presentations, please ensure that the size is 4*3 feet.
- ◆ The PPT and poster must include background, materials and methods, results, conclusion, and references.
- ◆ 6 minutes will be given to present your research and an additional 2 minutes for discussion.

**Best 10
presentations
will be
awarded**
